DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG-2012-0227]

RIN 1625-AA00

Safety Zone, Temporary Change for Recurring Fifth Coast Guard District Fireworks Displays, Cavalier Golf & Yacht Club Independence Day Fireworks Display, Broad Bay Virginia Beach, VA

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard is proposing a temporary change to the enforcement period of a safety zone regulation for one recurring firework display within the Fifth Coast Guard District. This regulation refers to the firework display event that takes place on the navigable waters of Broad Bay in Virginia Beach, VA. This action is necessary to provide for the safety of life on navigable waters during the Cavalier Golf & Yacht Club Independence Day Fireworks Display. This action is intended to restrict vessel traffic movement to protect mariners from the hazards associated with firework displays.

DATES: Comments and related material must be received by the Coast Guard on or before [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

The Coast Guard anticipates that this proposed rule will be effective on July 1, 2012 and enforced from 9:30 p.m. to 10 p.m.

ADDRESSES: You may submit comments identified by docket number USCG-2012-0227 using any one of the following methods:

(1) Federal eRulemaking Portal:

<http://www.regulations.gov>.

(2) Fax: 202-493-2251.

(3) Mail: Docket Management Facility (M-30), U.S.

Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590-0001.

(4) Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-366-9329.

To avoid duplication, please use only one of these four methods. See the "Public Participation and Request for Comments" portion of the SUPPLEMENTARY INFORMATION section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or e-mail Hector Cintron, Waterways Management Division Chief, Sector Hampton Roads, Coast Guard; telephone 757-668-5581, e-mail Hector.L.Cintron@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

Submitting comments

If you submit a comment, please include the docket number for this rulemaking (USCG-2012-0227), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via <http://www.regulations.gov>) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via www.regulations.gov, it

will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, click on the "submit a comment" box, which will then become highlighted in blue. In the "Document Type" drop down menu select "Proposed Rule" and insert "USCG-2012-0227" in the "Keyword" box. Click "Search" then click on the balloon shape in the "Actions" column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

Viewing comments and documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, click on the "read comments" box, which will then become highlighted in blue. In the "Keyword" box insert "USCG-2012-0227" and click "Search." Click the "Open Docket Folder" in the "Actions" column. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the Federal Register (73 FR 3316).

Public meeting

We do not now plan to hold a public meeting. But you

may submit a request for one using one of the four methods specified under ADDRESSES. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the Federal Register.

For information on facilities or services for individuals with disabilities or to request special assistance at the public meeting, contact LCDR Chris O'Neal at the telephone number or e-mail address indicated under the FOR FURTHER INFORMATION CONTACT section of this notice.

Basis and Purpose

On July 1, 2012 Cavalier Golf & Yacht Club will host a fireworks display on the shoreline of the navigable waters on Broad Bay in Virginia Beach, VA. The fireworks will be launched from a shore based platform centered on position 36°52'08"N/076°00'46"W (NAD 1983). Due to the need to protect mariners and spectators from the hazards associated with the fireworks display, such as the accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris, vessel traffic will be temporarily restricted on all navigable waters within 400 yard radius of the fireworks launch site.

Discussion of Proposed Rule

The Captain of the Port Hampton Roads proposes to change the enforcement period of the safety zone for one recurring fireworks event within the Fifth Coast Guard District. This regulation applies to the July 4th fireworks event listed at (c)(4), in the Table to Sec. 165.506. The event will not be taking place on July 4th.

The Table to Sec. 165.506, event (c)(4), establishes the enforcement date for the fireworks event held in Virginia Beach, VA, on specified waters of the Broad Bay within the area bounded by 400 yard radius centered on position 36°52'08"N/076°00'46"W (NAD 1983). The area of the safety zone enforcement will not change; the date of enforcement of the safety zone will change. This temporary safety zone will be enforced in the vicinity of Virginia Beach, VA from 9:30 p.m. to 10 p.m. on July 1, 2012. In the interest of public safety, general navigation within the safety zone will be restricted during the specified date and times. Except for participants and vessels authorized by the Coast Guard Captain of the Port or his representative, no person or vessel may enter or remain in the regulated area.

Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to

rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this proposed rule to be so minimal that a full Regulatory Evaluation is unnecessary. Although this proposed regulation restricts access to the safety zone, the effect of this rule will not be significant because: (i) the safety zone will be in effect for a limited duration; (ii) the zone is of limited size; and (iii) the Coast Guard will make notifications via maritime advisories so mariners can adjust their plans accordingly.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are

independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities because the zone will only be in place for a limited duration and maritime advisories will be issued allowing the mariners to adjust their plans accordingly.

This proposed rule would affect the following entities, some of which might be small entities: the owners and operators of vessels intending to transit or anchor in that portion of the Broad Bay from 9:30 p.m. until 10 p.m. on July 1, 2012. This safety zone would not have a significant economic impact on a substantial number of small entities for the following reasons. This safety zone would be activated, and thus subject to enforcement, for only one-half hour in the evening, when vessel traffic is low. Although the safety zone would apply to the entirety of Broad Bay, traffic would be allowed to pass through the zone with the permission of the Captain of the Port Before the activation of the zone, we would issue maritime advisories widely available to users of the river.

If you think that your business, organization, or

governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact LCDR Hector Cintron, Waterways Management Division Chief, Sector Hampton Roads, Coast Guard; telephone 757-668-5581, e-mail Hector.L.Cintron@uscg.mil. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520.).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian

tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus

standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have made a preliminary determination that this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. In accordance with the Coastal Zone Management Act, National Environmental Policy Act, and the Endangered Species Act an environmental consultation has been initiated with Virginia Department of Environmental Quality, Army Corps of Engineers, Virginia Marine Resource Commission, and The Department of Conservation and Recreation. Upon receipt of consultation comments all

documentation will be made available in the docket where indicated under ADDRESSES. This proposed rule involves establishing a temporary safety zone. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water),
Reporting and recordkeeping requirements, Security
measures, Waterways

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165 -REGULATED NAVIGATION AREAS AND LIMITED ACCESS
AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. In § 165.506, amend "Table to § 165.506" under "(c) Coast Guard Sector Hampton Roads-COTP Zone," suspend number 4, and add number 23, to read as follows:

§ 165.506 Safety Zones; Fifth Coast Guard District
Fireworks Displays.

* * * * *

Table To § 165.506. [All coordinates listed in the
Table to § 165.506 reference Datum NAD 1983.]

(c) Coast Guard Sector Hampton Roads - COTP Zone			
Number	Date	Location	Regulated area
*****	*****	*****	*****
23.....	July 1st	Broad Bay, Virginia Beach, VA, Safety Zone.	All Waters of the Broad Bay within a 400 yard radius of the fireworks display in approximate position latitude 36°52'08" N, longitude 076°00'46" W, located on the shoreline near Cavalier Golf and Yacht Club, Virginia Beach, Virginia.
